

○ Memory type

당사의 제품에 SD Card 사용시 MLC type 고내구성 제품을 추천합니다.
시큐리티 제품 특성상 Read / Write가 잦으므로 고내구성 SD Card 사용을 권장 합니다.
추천 SD Card 제조사는 Sandisk, Transcend 입니다.
※ SanDisk社 HIGH ENDURANCE제품군, Transcend社 High Endurance 제품군

○ Speed Class

일반적으로 SD card Speed Class UHS-1 class 을 권장하며,
4K 저장시 UHS-3이며 16GB이상 메모리를 권장합니다.

[Things to check before using SD card]

○ **Memory type**

When using SD card for our products, we recommend high durability MLC type products. Due to the nature of security products, read / write is frequent. Therefore, it is recommended to use SD card with high durability. Recommended SD Card Manufacturers are Sandisk, Transcend.
※ SanDisk HIGH ENDURANCE Products, Transcend High Endurance Products

○ **Speed Class**

In general, we recommend Speed Class UHS-1 class to use SD card, UHS-3 and more than 16GB memory is recommended for 4K Camera.
